Modular patch panel for keystone snap-in Jack

Datacom Connectivity

Modular patch panel for keystone snap-in jacks

Issue date: 10-08-06

Supersedes: -

Value Innovation is a way of looking at the world. By combining market insight with technological know-how and building strong, long-lasting relationships, we add value to your business with advanced communication solutions and services that are designed to last. No matter how complex your challenge, we have a product or solution that will do more than meet your needs. New applications, breakthrough cables or complete network designs - it's all part of what we call Value Innovation, and it's what drives us.

Modular patch panel for keystone snap-in jacks

- Available in FTP and UTP
- Available in Black and Grey
- Also available as UC^{Precon} pre-terminated cabling solution
- Lasermark labels available on request

Technical data
